4 Days

August 25 - 28, 2011

New York City - The Big Apple

4 Days . . . August 25 - 28, 2011

Includes 3 Continental Breakfasts & 1 Dinner

1 - NEW YORK CITY: New York City isn't the center of the universe on any map you'll find, but ask any New Yorker and he'll tell you that's exactly where it is! What an incredible city! No other city has quite the style or atmosphere of the Big Apple. Early today we board our Prevost deluxe motorcoach for a comfortable ride through Virginia and Maryland to our hotel accommodations in New Jersey, where we'll get settled in for a 3-nights stay.

2 - CONTINENTAL BREAKFAST / GUIDED TOUR OF NEW YORK CITY / METROPOLITAN MUSEUM OF ART / NYC METS VS. ATLANTA BRAVES BASEBALL GAME:

Following our continental breakfast today, we make our way into Manhattan, the heart of New York City! We'll pick up our step on guide for a city tour. We'll see the extravagant west side of Central Park, where many celebrities, actors, and television personalities have made their homes. We'll see St. Patrick's Cathedral as we make our way south to the older part of the island. We'll drive through the Financial District, the home of Wall Street and the Commodities Exchange, and we'll visit Ground Zero before we make our way back to Central Park. What a wonderful way to begin our New York sightseeing! Next, we visit the Metropolitan Museum of Art. The Metropolitan Museum of Art is one of the world's largest and finest art museums. Its collections include more than two million works of art spanning five thousand years of world culture, from prehistory to the present and from every part of the globe. *Later this evening, we'll take you out to the ballgame! Put on our favorite team's colors and take your seat at Citi Field for some All-American fun - a baseball game between the New York Mets and the Atlanta Braves.* (CB)

3 - CONTINENTAL BREAKFAST / STATUE OF LIBERTY / SOUTH STREET SEAPORT / DINNER / BROADWAY PLAY: We have breakfast this morning, then our day of sightseeing begins with a boat ride to the Statue of Liberty. The latest addition to Liberty National Park is the Immigration Museum at Ellis Island. We'll catch the next ferry from the Statue of Liberty over to Ellis Island and see where more than 14 million immigrants came into the United States in search of the American dream. Returning to Battery Park, we travel to South Street Seaport for lunch on your own in the old shipping district. The remainder of the day is for you to enjoy...go shopping, people watch, or relax. Tonight, dinner is included in one of New York's great restaurants. Finally, we'll take our seats to an unbelievable Broadway performance! (CB, D)

4 - CONTINENTAL BREAKFAST / GREAT FALLS STATE PARK / HOME: After breakfast this morning, we must begin our journey home. We'll take a quick stop at Great Falls State Park Visitors Center to view the falls from the overlook. We return home later this evening with lots of souvenirs in-hand and fond memories of our New York City tour. (CB)
