

Dear Sisters and Brothers:

I am excited to announce the Sunny Days Ahead fundraiser to benefit Wake Forest Institute for Regenerative Medicine. For a donation of ten dollars (\$10), you can purchase your own exclusive visor, with the shooting star logo and the name "North Carolina" on it, making it a great gift for any sun worshipper. Please support WFRIM, and make a sunnier future for all of us.

Thank you in advance for your generosity.

Fraternally,

Amy-Jo Fischer Hoth
Associate Grand Matron, Chairman
Sunny Days Ahead Project
